## EXPERIENCE

---

### Host & Producer, SIP&SING, in partnership with iHeartRadio Broadway and the Bay Street Theater, NY

Creator & host of weekly virtual music broadcast. Interview top Broadway stars & celebrities, both live & pre-recorded. Develop interactive original content. Research guests, pop culture news, and musical history across genres & decades. Coordinate with producers & publicists to book guests & integrate in-program sponsorships & announcements.

### Audience Warm-Up, LIVE with Kelly & Ryan, WABC-TV, New York, NY

Perform live, in-studio audience warm-up over a ten-year span. Lead improvisational interaction and energy building to help audiences feel welcomed and engaged. Participate in post-show social media content creation with Kelly Ripa.

### Host & Social Media Coordinator, StubHub Live, New York, NY

Brand representative for main sponsor StubHub at BroadwayCon convention. Host live interviews with celebrities & manage all social media engagement including Instagram and Facebook. Edit stand-up video in real time while preparing for on-the-fly fan interaction. Cross functional collaboration with offsite marketing team.

### Star Performer, The Phantom of the Opera, Broadway and National Tour, New York, NY

Perform leading role in longest running Broadway show in history, including gala 25<sup>th</sup> Anniversary performance. Duties also include hosting social media and TV segments for local, national and international media outlets. Represent PHANTOM at key media events throughout the last decade.

### Panelist, Strategy Room Live, FOX, New York, NY

Recurring on-air panelist under lead national entertainment reporter. Topical discussion of pop culture for a live weekly broadcast. Research topics for ad-lib talking points with celebrity & musical guests and perceptive commentary.

### Video Blogger, AfterElton.com, MTV Networks, New York, NY

Producer & co-host of weekly music & pop culture video blog SOUNDS LIKE A HIT. Duties include creation & editing of original video content. Effectively managed multifaceted projects to deliver on deadline.

### On-Air Host, KSCR Radio - The Underground, Los Angeles, CA

Host of weekly alternative and pop music radio show at University of Southern California student-run radio station. Duties include music programming, control board operation and on-air interaction with listeners.
